The room indictments Brussels appeal court, "said the appeal unfounded and prolonged preventive detention for a period of one month," the federal prosecutor's office in a statement.

The French Oulkadi Ali, who lives in Molenbeek, admitted to investigators having transported in Brussels, following the attacks of 13 November in Paris, Abdeslam Salah -principal always suspect cavale- but denies involvement in the bombings.

As for Abdeilah Chouaa, his name was found written on a piece of paper into the cell of a man detained in Namur who Abdeslam Salah telephoned the evening of November 13.

According to the RTBF public television Abdeilah Chouaa Abdeslam knew the family, but was mainly a near Abrini Mohamed, a Belgian-Moroccan suspected of involvement in the bombings of Paris with Salah Abdeslam
