# ParisAttacks • Arrest Zouhir Mehdaoui, an Algerian residing in Belgium near Abaaoud @ sudpresseonline

5:24 - 29 Feb 2016

29 years old, man would Tamokra native, a town in the Bejaia region. It would have officiated as a welder before leaving on a trip to [Turkey](#) in 2011, said *El Watan*, then in Europe. Two years later, he would have moved to Brussels, where he met his wife, with whom he would have two children. According to the newspaper, "Zouhir Mehdaoui leading a normal life in [Belgium](#) where he was, she said, an official at the town hall of Brussels and coach [kung fu](#) in the same city."

## A bet on remand challenged by family

Zouhir Mehdaoui was recognized knowledge of his hometown on the video broadcast by France 24, which would have then reported to the police. *El Watan*

reported that it would be filled with the consulate in Brussels. "Officials from the consulate in Brussels reassured him, they told him that there was no search warrant issued against him in Algeria," said his family. Once in Algeria, he would have made himself first at the gendarmerie to be heard on the record, and would have emerged free.

But the next day, he received a court summons to Akbou to submit to the Attorney General. It's that day he is taken into custody. Arbitrary detention to his family that if she agreed that "Zouhir is practicing as part of the Salafist current," rejects any membership [Daech](#) or friendship with Abaaoud. The man reportedly also filed a case in this regard, reports his family. Furthermore, 'the eyes of the person who accompanied Abaaoud are brown, those of Zouhir are blue. In addition, he wears glasses and has no driver's license. How can that be him? "They ask themselves.
