## Bombings in Paris: Ayoub is Bazarouj, arrested in Brussels on WednesdayLe Soir

Stéphane Detaille with Belga

Published online 1 hour ago

According to our sources, there is a near Salah Abdeslam.

The 22-year-old young man was remanded in Brussels for "*terrorist murder and participation in the activities of a terrorist group*" as part of the investigation into the attacks in Paris. Bazarouj Ayoub, confirmed a source at night close to the investigation.

This Belgian born in 1993, was arrested Wednesday during a raid in the Brussels municipality of Sint-Jans-Molenbeek. "The investigating judge issued this morning (Thursday) an arrest warrant against the head of terrorist murder and participation in a terrorist group," according to a statement.

### A radicalized family ...

The young man, born November 16, 1993, was already known to judicial authorities for acts of various drugs and robberies. Ayoub is Bazarouj - especially! - Member of a large family whose members, it seems, are radicalized.

The searches that led Wednesday in the arrest of Ayoub Bazarouj occurred at No. 47 of the Delaunoy Street in Molenbeek, the family address Bazarouj where a source had reported the possible presence of Salah Abdeslam on 15 November.

### ... Near Salah Abdeslam

Abdeslam Salah is close to Bazarouj family with several members left to wage jihad in Syria. One of his brothers was already there for nine months when Bazarouj Fatima, 32, flew to Turkey to join it, in February 2015 she was accompanied by two of his children - kids 3 and 5 years - as well as two of his other brothers, Brahim, a teenager of 15, and Bilal, aged 23.

This summer the newspapers had circulated photographs showing Bazarouj Fatima and her children in their new life in Syria. Two other brothers were still in Belgium at the time of the attacks: Mohammed, the eldest, and Ayoub. This is not the first time that the investigation was very interested to Bazarouj: a few days after the attacks in Paris, Youssef, one of the brothers, was cited as being the third member of the terraces which Commando the existence seemed accredited by video surveillance.

## The successful count is particularly serious

As Ayoub, note the seriousness of the charge: it comes to terrorist killings, implying direct involvement - author or co-author - in the attacks.
